

DOB NOW Additional Services Go Live

2018 was a big year for **DOB NOW**, the DOB's Online Portal. In December, Place of Assembly and Temporary Place of Assembly filings were moved to the Build section, and additional functionality was introduced:

- DOB NOW: Safety - Elevator compliance filings
- DOB NOW: Inspections - expanded to allow for more types of inspection requests
- DOB NOW: Licensing - Journeyman Registrations, Gas Work qualifications, and Welder Licenses

Additional options will continue to be added to allow for building professionals to do more online business with the DOB. Visit the **DOB NOW** website for additional information and training on how to use the portal.
